

CHAPTER SEVEN LIST OF PREPARERS

This section lists the individuals who assisted in the preparation of this Environmental Impact Report (EIR), a list of the individuals and agencies that were consulted on this EIR, and locations of where the Draft EIR were made available for public review.

In accordance with California Environmental Quality Act (CEQA) Title 14 Natural Resources, Division 6 Resources Agency, Chapter 3 Guidelines for Implementation of the California Environmental Quality Act, Article 9 Contents of Environmental Impact Reports (EIR), §15129 Organizations and Persons Consulted, this Chapter of the EIR identifies all Federal, state, or local agencies, other organizations, and private individuals consulted in preparing the Draft EIR, and the persons, firms, or agencies preparing the Draft EIR, by contract or other authorization.

Specialists involved in this EIR included those in such fields as airport planning; noise assessment and abatement; land use planning; air quality; water quality; biology; historic, architectural, and archaeological resources; and other disciplines. It should also be noted that, while an interdisciplinary approach has been used, all decisions made with regard to the content and scope of this EIR are those of Marin County.
